

Single Plan for Student Achievement

Schools: Princeton Elementary School
Princeton Junior Senior High School

District: Princeton Joint Unified School District

Principal: Cody Walker

Date of this revision: April 27, 2017

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California *Education Code* sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

The Princeton Joint Unified School District approved this revision of the SPSA on May 18, 2017.

Background

During the 2016-17 school year, the School Site Councils for Princeton Elementary School and Princeton Junior Senior High School worked together in updating Princeton Joint Unified School District's Local Control and Accountability Plan (LCAP). One goal of the LCAP creation process was to write a plan that was strongly aligned to the Single Plans for Student Achievement (SPSAs) for each school site. While the LCAP and SPSAs have some differences, the plans will feature common goals and actions. Budget information specific to the SPSAs has been modified as appropriate.
